Oferta ta skierowana jest do wszystkich mieszkańców i gości miasta, którzy na co dzień nie posługują się językiem polskim, a to dlatego, że wycieczki odbywać się będą tylko w języku angielskim.

The last edition gained huge popularity among the English-speaking Łódź inhabitants and tourists visiting our city, that is why we have decided to continue the project also in 2019. The idea of 2019 Łódź Free Summer Tours is not only to make the foreigners familiar with the culture, history and the beauty of Łódź, but also to encourage them to take active part in the city life - says the projects supervisor, Olga Legczylińska from Łódź Tourism Organization.

Łódź Tourism Organisation wants to catch the interest of newcomers by invoking the idea of multicultural Promised Land, by telling the stories about great factory owners' fortunes, the

unprecedented career of the city which became in time the city of avant-garde art and The UNESCO City of Film – states Krzysztof Olkusz, a Łódź guide.

What is more, during the Birthday of Łódź (July, 27-28th) and the Light.Move.Festival (September, 28-29th) extra strolls will be organized also on Saturdays, and they will also start at 11 AM.
